History of Labor Day

Name _____ Match the picture to the event.

	People worked long, hard hours to make things for others. They were called laborers. They worked to make money.
	Men, women, and even young children worked in factories. They worked long hours and their job was often not safe.
	People did not like the unsafe conditions of the had to work in. They started to form unions.
	Workers marched to ask for safer conditions for everyone.
	A man named Peter McGuire had an idea to create a holiday to honor the hard work of all laborers.
	President Grover Cleveland signed a law creating Labor Day into a holiday.
