

Editable

SCHEDULE Cards

What is included and how to use it.

- This pack contains many schedule cards for you to use, 9 pages worth! This section allows you to edit BOTH the time and the name for the schedule. I give you a term BUT you just change it.

How to edit this file:

- This is a PowerPoint file. You must have PowerPoint to open and edit this.
- This file uses two fonts. You need to download them for use before you open this file. The fonts are Poiret One ([grab it here free](#)) and Oswald Bold ([grab it here free.](#)) I would have this font downloaded and ready for use BEFORE you open the file.
- CLICK ON and CHANGE the text to meet your needs, this includes languages. Same for the times.
- If you accidentally delete a text box, undo it. If you can, copy and paste another text box to that area to use.
- All images are locked down and are not editable.
- I included so many bathroom cards because many teachers have multiple trips to the bathroom in a given day.
- If you do not want any words or times on the card, delete the text block all together.

I hope you enjoy this editable schedule card set.

I hope this saves you a ton of preparation time and helps with implementing standards, FUN, and learning in your classroom.
